Acknowledgments

The Sixth International Conference on Creationism has required and received the sacrifice and dedication of numerous volunteers. On behalf of the Board of Directors of Creation Science Fellowship, Inc., our friends and colleagues at the Institute for Creation Research, and the 2008 ICC Executive Committee (EC), I am pleased to take this opportunity to express our sincere gratitude to those who labored countless hours to make this Sixth ICC a showcase conference for the entire young-earth creation science community.

The dozens of volunteers who mailed brochures, hosted sessions, recorded the presentations, stocked the bookstore and in general made sure our ICC attendees were taken care of are the ones who made this conference happen. Thank you for coming together to make this important and unique conference turn out so well for us all.

I would like to record here special recognition and appreciation to our committee chairpersons:

Steve Sobek—Publicity and Audio/Visual

Dennis Wert—Session Hosts

Stu Chandler and Greg Smith—ICC Bookstore

Lori Chandler—ICC Bookstore Volunteers

Thanks to the “old master”, Mr. Bob Walsh for the vision for and organization of an outstanding slate of evening presentations. Thanks too for your sage and helpful guidance.

Thank you Bob Ivey for your terrific design and timely maintenance of the 2008 ICC web site.

Thank you Denise Versi-Goetz. The Radisson Hotel Pittsburgh Green Tree became our comfortable home thanks to your professional staff and your “aim-to-please” attitude.

It is with deep humility and admiration that I thank the members of the ICC Executive Committee. Your unflagging and sacrificial endurance was a great encouragement to many through the 2 years of teleconferences, emails, personal calls, and meetings. Your patience, wisdom and professionalism are greatly appreciated by me. Members of the EC included: Dr. Larry Vardiman, Dr. Kenneth B. Cumming, Dr. Eddy Miller, Dr. Andrew A. Snelling, Mr. Bob Walsh, and Mr. Bob Ivey.

Finally, thank you to our General Editor and Technical Review Committee Chairman, Dr. Andrew A. Snelling. Your gracious manner and your long-suffering attitude through the myriad of difficulties have yielded another treasure for the creation science community for years to come.

We need to also acknowledge and thank our team of dedicated Editors in the various conference themes: Dr. Steven Boyd, Dr. Eugene Chaffin, Dr. Douglas Kennard, Dr. David DeWitt, Dr. Ross Anderson, Dr. Steven Gollmer, Dr. Danny Faulkner, Dr. Larry Vardiman, Dr. Steven Austin, Dr. John Baumgardner, Dr. Art Chadwick, Dr. Andrew A. Snelling, and Dr. Eddy Miller. Thanks also must go to all the reviewers of the papers.

And a special word of thanks must go to Dr. Andrew Snelling’s personal assistant, Laurel Hemmings, who literally worked “around the clock” for several months, drafting diagrams and typesetting papers to produce this *Proceedings* volume.
